Our 30 year Cherry Creek Reunion was in a word a “BLAST!”
Thank you to everyone who rallied, gathered, showed up at the door and even crashed! Our class turnout was absolutely phenomenal! If you are on our Facebook page (Cherry Creek Class of ’84 – 30 Year Reunion) then you saw what a success it was!

What a group! I didn’t even know many of the people in high school but add some spouses, a great summer night and a whole lot of food and drink and you end up with a heckova party!!!

We had a total graduating of 857 and approximately 175 people (including 40 guests) attended the reunion! People came from all over the states to attend! Based on the reviews the reunion met with everyone’s expectations. In fact there was a lot of talk about having a 35th reunion!

Be sure and stay in our Facebook group so that you can hear about upcoming events and even post any news that is relevant to the class of 1984! Also, be sure and spread the word to any and all classmates who may not be in touch.

I want to also thank our reunion committee. Trent Cunningham, Andrea Engle Glass, Lisa Scantland Arteseros, Diane Metz Kreider, and yours truly Molly Bryan Rudnick. We all worked hard to make it a memorable event and had a lot of fun along the way!

Once again, thanks to you all for making our 30 year reunion a huge success! Let’s keep in touch and continue to create lasting memories.

Sincerely,
Molly Rudnick

Florida with short stints in L.A. & Tallahassee, I settled in Palm Beach in a 1957 Art Deco home on the Intracoastal waterway with my husband. We are both fortunate to have good jobs we enjoy, the company of good friends, and the ability to sit by the water sipping Brian's delicious margaritas on Friday nights. Biography / Memorable Life Experiences: Living and loving life in Broomfield! We are avid Denver Broncos fans and also appreciate all that both outdoor and indoor Colorado have to offer. We love travel and exploring, volunteering, listening to music, cooking, and drinking wine. I enjoy learning about photography and photo editing, and have had a lifelong interest in ice skating, cheerleading, and the Olympics (one very memorable life experience was carrying the Olympic Torch for the Athens games in 2004 in downtown Los Angeles). Eli keeps us young, happy, and healthy and is a true joy. Fond memories of Creek!!!
