I came home in late 67, somehow convinced Jennifer Simons (class of 66) to marry me and became the father of two daughters. Aside from short moves to Florida and Ohio, we have stayed local and enjoy the Alexandria area. I graduated from GWU and pursued a financial career with Marriott and Thrifty Car Rental as a CFO. Running numerous road races, 8 marathons and a 50 mile race caught up to me and I had a double hip replacement one day. Was up and walking the next day (with help).
