Occupation: Attorney and Certified Mediator

Family: Husband Tapani and daughter Alexis, age 22

Interests: Travel, hiking, cooking, art museums and shows, wine tastings, skiing

Biography / Memorable Life Experiences: How does a nice Jewish girl from Kendall wind up marrying a nice farm boy from Finland? Sounds strange but it works! Professionally, I've spent 30 years practicing law in South Florida and look forward to winding down soon. My greatest joy is my daughter Alexis who's in graduate school at Yale in the architecture program after finishing #1 in her class at UF. Traveling around the world has shown me the goodness in all people and how alike we are, regardless of nationality, ethnicity or any other distinguishing label. Losing my brother to cancer too soon taught me not to leave anything unsaid.
