Interests: Travel, boating, reading, cooking

Biography / Memorable Life Experiences: Left Houston '82, traveled 'til '83 with then-wife, Lyn and two kids, found Anna Maria Island, FL, stayed. Divorced 1988, committed to Christine (Chris) in 1990. Was in marketing, advertising, public relations for 25 years. Realtor since 2002. I certainly enjoy living in a beach-front community just south of Tampa Bay. Waves are even smaller than Texas Gulf Coast, but the beach is whiter and the water is clearer. A LOT clearer. Currently two grand-kids, two boats, one sail, one power. Just living the life!
