

## Briana Beuke

Class of '71

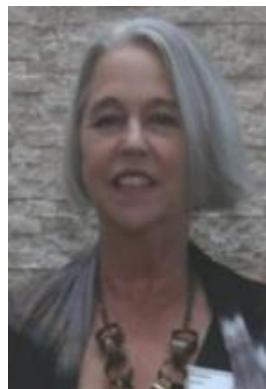

**Occupation:** Interior Designer

**Family:** Marc Salle, my husband and our 2 daughters Taylor and Nora.

**Interests:** Interior Design, reading, music (indie rock and folk), tennis.

**Biography / Memorable Life Experiences:** Marc and I have been married for 35 years. Our daughters are both teachers; one living in Kansas City and one living in Madrid, Spain. In my early, pre-children years I was in the social service field. I was a stay at home mom until my youngest daughter was in high school. In more recent years I have received a degree in Interior Design and own a small company. I'm not planning on retiring for a very long time! Wow! Life goes by fast!

## Victoria (Vicky) Chamberlain Wiebe

Class of '71

**Occupation:** WIC Clerk

**Family:** David, Jennifer Gillmore, Amy Wiebe, Paul Wiebe, Matt Wiebe

**Interests:** Work, Children, Grandchildren

**Biography / Memorable Life Experiences:** I am married, have 4 children (2 of which are married) and 5 grandchildren. My husband and I own Wiebe Air Repair and ran the El Dorado Airport for 25 years. Running the airport was a 24/7 job so it is no surprise that 2 of our children are pilots. I have worked at the Butler County Health Department for 19 years with the WIC Nutritional Program. My clients have touched my heart in so many ways. I am blessed knowing them, and having many friends and family that live close by.

## Robert Sears

Class of '71

**Occupation:** FedEx MD11 Pilot, Lt. Col. USAF Ret.

**Family:** Patti, wife of 39 years and counting. Two daughters, Kelly and Katrina

**Interests:** Flying, Fishing, Hunting, Scuba Diving, Professional Underwater Photography

**Biography / Memorable Life Experiences:** After graduating at Newton High, I headed off to KSU for a degree and USAF ROTC Second Lt. Bars. After 22 years of flying for the Air Force as a B52 Instructor Pilot and one of the initial B-1B Instructors, I retired in 1997. Now I fly the world for FedEx as a MD 11 pilot. Along the way I picked up some great hobbies like underwater photography. In a little more than a year I will retire one final time after 21 years of FedEx flying and over than 14,000 hours in the air. Don't know where I'll put my gear down but it will be on the flat plains of the midwest. "Happy Contrails" My Friend

## Kenneth (Kenny) Wiens

Class of '71

**Occupation:** Aircraft Tool Maker

**Family:** Married to Sandy for 43 years 3 daughters Liz Barb & Margo

**Interests:** I am still a gear head, motor sports, car shows, wrenching on my old IH Scouts

**Biography / Memorable Life Experiences:** Got married to Sandy in 73 moved to Halstead in 75 after Margo was born. Have worked as a Tool Builder at Learjet & Cessna, a field sprayer & farming, and built Jr Dragsters for Kids. Retired now and enjoy our 4 grand kids, going to the races & wrenching on my nephews race cars. Been blessed with a loving wife, family, & friends.
