**55-YEAR REUNION**

October 14 - 15, 2022

**Memory Book**

**To our friends from the Woodward HS Class of 1967,**

On behalf of all of us on the reunion committee, we appreciated everyone who traveled to Cincinnati for our 55<sup>th</sup> reunion. Everything turned out great and it was a wonderful experience even though it was kind of bittersweet as it just felt like there wasn't enough time to catch up as much as everyone wanted.

So many memories were relived by all of us. Good food and good friends made it an even better night with our classmates.

It was so great to see all of you. Unfortunately, there were many classmates that wanted to attend but were unable to. We want you to know that you were missed. We are already talking about plans for the 60th reunion! If your contact info (address, phone and/or email) changes, please send an email to (class email) and we can update your information. That way we can include everyone in any information about future events.

Please enjoy the digital memory book to enhance the memories created during this reunion. For those of you who were not able to attend, please enjoy the book as well. It will provide some insight to the memorable evenings we all enjoyed.

Best regards,

**Your Reunion Committee**
